This illustration is not a forecast and, like any other investment, the value of properties in the village could go down as well as up.

EXAMPLE 1: TYPICAL ANNUAL COSTS

This first example deals with the potential annual costs of buying a retirement property. **It excludes:**

- The cost of any **mortgage** you may have, and;
- The **personal monthly bills** for which you would be liable, such as council tax, electricity, gas, water, telephone rates and charges, (if applicable), contents insurance, television licence, broadband / satellite / cable subscriptions and any other bills.

The costs shown are based upon the purchase cost and service charge costs for single or double occupancy of a 2 bedroom Apartment, address 10 Felcourt House, Charters Village Drive, East Grinstead, West Sussex, RH19 2GW, purchased for **£505,000 (Five Hundred and Five Thousand Pounds)**.

As a leasehold owner, you will be responsible for the following costs, which are applicable from: Jan 2024 to Dec 2024 and annually thereafter.

EXAMPLE 2: A SALE (Otherwise known as assignment) of your property

- The **cost of ensuring the property is in good decorative order prior to the resale.**

The assignment fee, which is payable to the landlord, Charters Village Limited (07687958), provides a return on the original investment in developing the communal facilities in the Village. It does not contribute towards the costs of any services that are provided or to a sinking fund and accordingly is not held in trust for residents

If you purchase the property for £505,000 and in the future sell/assign it for the sale prices below, examples of the corresponding assignment fees incurred on the sale/assignment of the property are indicated underneath the sale prices:-
