  and charges, (if applicable), contents insurance, television licence, broadband / satellite / cable subscriptions and any
  other bills.

## **EXAMPLE 2: A SALE (Otherwise known as assignment) of your property**

This second example deals with some of the one-off costs if you were to sell (otherwise known as to "assign") your property. It excludes:

- Any outstanding Management Fee that you owe;
- Any mortgage costs, including the cost of paying off (sometimes referred to as redeeming) your mortgage;
- The costs of any **solicitor**, conveyancer or legal adviser you appoint to deal with the sale/assignment;
- Any **estate agents fees**; (1.5% when Cedars Village Management Limited undertake sales and marketing or sellers choice of agent)
- Any tax which you may have to pay, including stamp duty;
- Any costs of moving;
- The cost of ensuring the property is in good decorative order prior to the resale.

The assignment fee, which is payable to the landlord, Cedars Village Management Limited, provides a return on the original investment in developing the communal facilities in the Village. It does not contribute towards the costs of any services that are provided or to a sinking fund and accordingly is not held in trust for residents

If you purchase the property for £395,000 and in the future sell/assign it for the sale prices below, examples of the corresponding assignment fees incurred on the sale/assignment of the property are indicated underneath the sale prices:-
