Set out below are worked examples of the financial implications of buying the above property. Created on 21/1/2025.

Note: These worked examples are for guidance only. Please discuss your individual circumstances and financial commitments with your solicitor, other legal or financial adviser.

This illustration is not a forecast and, like any other investment, the value of properties in the village could go down as well as up.

EXAMPLE 1: TYPICAL ANNUAL COSTS

This first example deals with the potential annual costs of buying a retirement property. It excludes:

- The cost of any mortgage you may have, and;
- The personal monthly bills for which you would be liable, such as council tax, electricity, gas, water, telephone rates
 and charges, (if applicable), contents insurance, television licence, broadband / satellite / cable subscriptions and any
 other bills.

The costs shown are based upon the purchase cost and management fee costs for single or double occupancy of a 2 bedroom Apartment, address 20 Ravens Court, Castle Village, Berkhamsted, Hertfordshire, HP4 2GX, purchased for £350,000 (Three Hundred and Fifty Thousand Pounds).

As a leasehold owner, you will be responsible for the following costs, which are applicable from: January 2025 to December 2025 and annually thereafter.

Costs	Single Occupancy		Double Occupancy	
	Monthly	Annual	Monthly	Annual
Management Fee Increasing each year in line with (CPIH).	£712.80	£8,553.62	£712.80	£8,553.62

Total	£712.80	£8,553.62	£712.80	£8,553.62

EXAMPLE 2: A SALE (Otherwise known as assignment) of your property

This second example deals with some of the one-off costs if you were to sell (otherwise known as to "assign") your property. It excludes:

- Any outstanding Management Fee that you owe;
- Any mortgage costs, including the cost of paying off (sometimes referred to as redeeming) your mortgage;
- The costs of any **solicitor**, conveyancer or legal adviser you appoint to deal with the sale/assignment;
- Any **estate agents fees**; (1.5% when Castle Village Management Limited undertake sales and marketing or sellers choice of agent)
- Any tax which you may have to pay, including stamp duty;
- Any costs of moving;
- The cost of ensuring the property is in good decorative order prior to the resale.

The assignment fee, which is payable to the landlord, Castle Village Management Limited, provides a return on the original investment in developing the communal facilities in the Village. It does not contribute towards the costs of any services that are provided or to a sinking fund and accordingly is not held in trust for residents

If you purchase the property for £350,000 and in the future sell/assign it for the sale prices below, examples of the corresponding assignment fees incurred on the sale/assignment of the property are indicated underneath the sale prices:-

The proportion of the sales price payable changes: 4% for a sale in the first year, 8% for a sale in the second year, and 12% for a sale in the third year, 16% for a sale in the fourth year and 20% thereafter.
