## **EXAMPLE 1: TYPICAL ANNUAL COSTS**

This first example deals with the potential annual costs of buying a retirement property. It excludes:

- The **personal monthly bills** for which you would be liable, such as council tax, electricity, gas, water, telephone rates and charges, (if applicable), contents insurance, television licence, broadband / satellite / cable subscriptions and any other bills.

The costs shown are based upon the purchase cost and service charge costs for single or double occupancy of a 1 bedroom Apartment, address 16 Medway House, Charters Village Drive, East Grinstead, West Sussex, RH19 2HZ, purchased for £360,000 (Three Hundred and Sixty Thousand Pounds).

As a leasehold owner, you will be responsible for the following costs, which are applicable from: Jan 2025 to Dec 2025 and annually thereafter.

## **EXAMPLE 2: A SALE (Otherwise known as assignment) of your property**

This second example deals with some of the one-off costs if you were to sell (otherwise known as to "assignâ€) your property. It excludes:

- Any mortgage costs, including the cost of paying off (sometimes referred to as redeeming) your mortgage;

- Any tax which you may have to pay, including stamp duty;
- Any costs of moving;
- The cost of ensuring the property is in good decorative order prior to the resale.

The assignment fee, which is payable to the landlord, Charters Village Limited, provides a return on the original investment in developing the communal facilities in the Village. It does not contribute towards the costs of any services that are provided or to a sinking fund and accordingly is not held in trust for residents

If you purchase the property for £360,000 and in the future sell/assign it for the sale prices below, examples of the corresponding assignment fees incurred on the sale/assignment of the property are indicated underneath the sale prices:-

The proportion of the sales price payable changes: 2.5% (1st year), 5% (2nd year) or 10% (after year 2) of the sales price when resold or 10% payable if pre-paid on purchase.
