Set out below are worked examples of the financial implications of buying the above property. Created on 29/05/2025.

Note: These worked examples are for guidance only. Please discuss your individual circumstances and financial commitments with your solicitor, other legal or financial adviser.

This illustration is not a forecast and, like any other investment, the value of properties in the village could go down as well as up.

EXAMPLE 1: TYPICAL ANNUAL COSTS

This first example deals with the annual costs of buying a retirement property. It excludes:

- The cost of any mortgage you may have, and;
- The **personal monthly bills** for which you would be liable, such as council tax, electricity, gas, water, telephone rates and charges, (if applicable), contents insurance, television licence, broadband / satellite / cable subscriptions and any other bills.

The costs shown are based upon the purchase cost and service charge costs for single or double occupancy of a 2 bedroom Apartment, 18 Roding Close, Elmbridge Village, Essex Drive, Cranleigh, Surrey, GU6 8TE, purchased for £295,000.00 Two Hundred and Ninety Five Thousand Pounds.

As a leasehold owner, you will be responsible for the following costs, which are applicable from: April 2025 to March 2026 and annually thereafter.

Costs (for both single and double occupancy)	Monthly	Annual
Service Charge Reviewed every year in consultation with residents	£631.26	£7,575.09
Ground Rent Doubles every 25 years from the start of the lease (applies to specific villages only please refer to the lease).	£20.83	£250.00
Total	£652.09	£7,825.09

EXAMPLE 2: A SALE (Otherwise known as assignment) of your property

This second example deals with some of the one-off costs if you were to sell (otherwise known as to assign) your property. It excludes:

- Any outstanding ground rent or service charge that you owe;
- Any mortgage costs, including the cost of paying off (sometimes referred to as redeeming) your mortgage;
- The costs of any **solicitor**, conveyancer or legal advisor you appoint to deal with the sale/assignment;
- Any estate agent fees; (Inclusive if using Elmbridge Village Ltd re-sales service)
- Any tax which you may have to pay, including stamp duty;
- Any costs of moving
- The cost of ensuring the property is in good decorative order prior to the resale.

The assignment fee, which is payable to the landlord, Elmbridge Village Ltd, provides a return on the original investment in developing the communal facilities in the Village. It does not contribute towards the costs of any services that are provided or to a sinking fund and accordingly is not held in trust for its residents.

If you purchase the property for £295,000.00 and in the future sell/assign it for the sale prices below, examples of the corresponding assignment fees incurred on the sale/assignment of the property are indicated underneath the sale prices:

The proportion of the sales price payable changes: it is 2.5% (1st year), 5% (2nd year) or 10% (after year 2) of the sales price when re-sold.
