EXAMPLE 1: TYPICAL ANNUAL COSTS

This first example deals with the annual costs of buying a retirement property. **It excludes:**

- The cost of any **mortgage** you may have, and;
- The **personal monthly bills** for which you would be liable, such as council tax, electricity, gas, water, telephone rates and charges, (if applicable), contents insurance, television licence, broadband / satellite / cable subscriptions and any other bills.

The costs shown are based upon the purchase cost and Management Fee costs for single or double occupancy of a 2 bedroom Bungalow, 2 Marriot Terrace, Cedars Village, Chorleywood, Rickmansworth, Hertfordshire, WD3 5GF, purchased for **£595,000.00 Five Hundred and Ninety Five Thousand Pounds**.

- Any **mortgage costs**, including the cost of paying off (sometimes referred to as redeeming) your mortgage;
- The costs of any **solicitor**, conveyancer or legal advisor you appoint to deal with the sale/assignment;

- Any **tax** which you may have to pay, including stamp duty;
- Any **costs of moving**
- The **cost of ensuring the property is in good decorative order prior to the resale.**

The assignment fee, which is payable to the landlord, RV Property Holdings Limited, provides a return on the original investment in developing the communal facilities in the Village. It does not contribute towards the costs of any services that are provided or to a sinking fund and accordingly is not held in trust for its residents.
