## **EXAMPLE 1: TYPICAL ANNUAL COSTS**

This first example deals with the annual costs of buying a retirement property. It excludes:

- The cost of any mortgage you may have, and;
- The **personal monthly bills** for which you would be liable, such as council tax, electricity, gas, water, telephone rates and charges, (if applicable), contents insurance, television licence, broadband / satellite / cable subscriptions and any other bills.

The costs shown are based upon the purchase cost and Management Fee costs for single or double occupancy of a 1 bedroom Apartment, 2 The Cedars, Cedars Village, Chorleywood, Rickmansworth, Hertfordshire, WD3 5GL, purchased for £310,000.00 Three Hundred and Ten Thousand Pounds.

As a leasehold owner, you will be responsible for the following costs, which are applicable from: January 2026 to December 2026 and annually thereafter.

## EXAMPLE 2: A SALE (Otherwise known as assignment) of your property

This second example deals with some of the one-off costs if you were to sell (otherwise known as to assign) your property. It excludes:

- Any outstanding Management Fee that you owe;
- Any mortgage costs, including the cost of paying off (sometimes referred to as redeeming) your mortgage;
- The costs of any **solicitor**, conveyancer or legal advisor you appoint to deal with the sale/assignment;
- Any estate agent fees; (1.5% when RV Property Holdings Ltd undertake sales and marketing or sellers choice of agent)
- Any tax which you may have to pay, including stamp duty;
- Any costs of moving
- The cost of ensuring the property is in good decorative order prior to the resale.

The assignment fee, which is payable to the landlord, RV Property Holdings Ltd, provides a return on the original investment in developing the communal facilities in the Village. It does not contribute towards the costs of any services that are provided or to a sinking fund and accordingly is not held in trust for its residents.

If you purchase the property for £310,000.00 and in the future sell/assign it for the sale prices below, examples of the corresponding assignment fees incurred on the sale/assignment of the property are indicated underneath the sale prices:-

The proportion of the sales price payable changes: it is 4% for a sale in the first year, 8% for a sale in the second year, and 12% for a sale in the third year, 16% for a sale in the fourth year and 20% thereafter of the sales price when the property is re-sold.
