

## **The Financial Implications of Buying 22 Marton Court, Lime Tree Village, Cawston, Rugby, Warwickshire, CV22 7SW**

Set out below are worked examples of the financial implications of buying the above property. Created on 29/09/2026.

**Note: These worked examples are for guidance only. Please discuss your individual circumstances and financial commitments with your solicitor, other legal or financial adviser.**

This illustration is not a forecast and, like any other investment, the value of properties in the village could go down as well as up.

### **EXAMPLE 1: TYPICAL ANNUAL COSTS**

This first example deals with the annual costs of buying a retirement property. **It excludes:**

- The cost of any **mortgage** you may have, and
- The personal monthly bills for which you would be liable, such as council tax, electricity, gas, water, telephone rates and charges (if applicable), contents insurance, television licence, broadband/satellite/cable subscriptions and any other bills.

The costs shown are based upon the purchase cost and service charge costs for single or double occupancy of a 2 bedroom Cottage, 22 Marton Court, Lime Tree Village, Cawston, Rugby, Warwickshire, CV22 7SW, purchased for **£235,000.00 Two Hundred and Thirty Five Thousand Pounds**.

As a leasehold owner, you will be responsible for the following costs, which are applicable from: October 2026 to September 2027 and annually thereafter.

| Costs                                                                                                                                   | Single Occupancy |                  | Double Occupancy |                  |
|-----------------------------------------------------------------------------------------------------------------------------------------|------------------|------------------|------------------|------------------|
|                                                                                                                                         | Monthly          | Annual           | Monthly          | Annual           |
| <b>Service Charge</b><br>Reviewed every year in consultation with residents                                                             | £666.42          | £7,997.00        | £25.00           | £300.00          |
| <b>Ground Rent</b><br>Doubles every 25 years from the start of the lease (applies to specific villages only please refer to the lease). | £21.00           | £250.00          | £21.00           | £250.00          |
| <b>Total</b>                                                                                                                            | <b>£687.42</b>   | <b>£8,247.00</b> | <b>£712.42</b>   | <b>£8,547.00</b> |

### **EXAMPLE 2: A SALE (Otherwise known as assignment) of your property.**

This second example deals with some of the one-off costs if you were to sell (otherwise known as to assign) your property. **It excludes:**

- Any outstanding **ground rent or service charge** that you owe;
- Any **mortgage costs**, including the cost of paying off (sometimes referred to as redeeming) your mortgage;
- The costs of any **solicitor**, conveyancer or legal advisor you appoint to deal with the sale/assignment;
- Any **estate agent fees**; (Inclusive if using Lime Tree Village Ltd re-sales service)
- Any **tax** which you may have to pay, including stamp duty;
- Any **costs of moving**;
- The **cost of ensuring the property is in good decorative order prior to the resale.**

***The assignment fee, which is payable to the landlord, Lime Tree Village Ltd, provides a return on the original investment in developing the communal facilities in the Village. It does not contribute towards the costs of any services that are provided or to a sinking fund and accordingly is not held in trust for its residents.***

If you purchase the property for **£235,000.00** and in the future sell/assign it for the sale prices below, examples of the corresponding assignment fees incurred on the sale/assignment of the property are indicated underneath the sale prices:-

**The proportion of the sales price payable changes: it is 2.5% (1st year), 5% (2nd year) or 10% (after year 2) of the sales price when the property is re-sold.**

|                                                                                                               |                    |                   |             |                       |
|---------------------------------------------------------------------------------------------------------------|--------------------|-------------------|-------------|-----------------------|
| Example A: If you sell the property After 6 years and the property has increased in value by 3.0% per annum.  |                    |                   |             |                       |
| Sale Price                                                                                                    |                    |                   | £280,602.29 |                       |
| The Assignment Fee if paid on sale                                                                            | 10.0%              | of the sale price | £28,060.23  | Payable when you sell |
| Fee                                                                                                           | Calculation Method |                   | Cost        |                       |
| Example B: If you sell the property After 6 years and the property has decreased in value by 3.0% per annum.  |                    |                   |             |                       |
| Sale Price                                                                                                    |                    |                   | £195,748.42 |                       |
| The Assignment Fee if paid on sale                                                                            | 10.0%              | of the sale price | £19,574.84  | Payable when you sell |
| Fee                                                                                                           | Calculation Method |                   | Cost        |                       |
| Example C: If you sell the property After 4 years and the property has increased in value by 3.0% per annum.  |                    |                   |             |                       |
| Sale Price                                                                                                    |                    |                   | £264,494.57 |                       |
| The Assignment Fee if paid on sale                                                                            | 10.0%              | of the sale price | £26,449.46  | Payable when you sell |
| Fee                                                                                                           | Calculation Method |                   | Cost        |                       |
| Example D: If you sell the property After 4 years and the property has decreased in value by 3.0% per annum.  |                    |                   |             |                       |
| Sale Price                                                                                                    |                    |                   | £208,043.81 |                       |
| The Assignment Fee if paid on sale                                                                            | 10.0%              | of the sale price | £20,804.38  | Payable when you sell |
| Fee                                                                                                           | Calculation Method |                   | Cost        |                       |
| Example E: If you sell the property After 3 years and the property has increased in value by 3.0% per annum.  |                    |                   |             |                       |
| Sale Price                                                                                                    |                    |                   | £256,790.85 |                       |
| The Assignment Fee if paid on sale                                                                            | 10.0%              | of the sale price | £25,679.08  | Payable when you sell |
| Fee                                                                                                           | Calculation Method |                   | Cost        |                       |
| Example F: If you sell the property After 3 years and the property has decreased in value by 3.0% per annum.  |                    |                   |             |                       |
| Sale Price                                                                                                    |                    |                   | £214,478.16 |                       |
| The Assignment Fee if paid on sale                                                                            | 10.0%              | of the sale price | £21,447.82  | Payable when you sell |
| Fee                                                                                                           | Calculation Method |                   | Cost        |                       |
