### EXAMPLE 2: FIXED SALE COSTS

- Any outstanding **management fee or other arrears** that you owe;
- Any **mortgage costs**, including the cost of paying off (sometimes referred to as redeeming) your mortgage;

Any **capital appreciation** (or depreciation) of the property is retained by the landlord, Charters Village Limited. Irrespective on any increase or decrease in value, the landlord covers the other costs involved in selling the property, which include;

- Management fees, from 2 months after service of the Notice to Vacate
- Sales agency fees
- Legal fees
- Refurbishment costs

A Deferred Management Fee (called an 'Event Fee' in the lease) is payable on resale to the landlord, Charters Village Limited. The Fee is calculated based on the length of ownership. The Deferred Management Fee provides a return on the original investment in the communal facilities and enables Thrive by Retirement Living to subsidise the Management Fee.

There is no requirement for you to instruct a solicitor or sales agent to sell the property as the repayment amount is guaranteed.
